I would both fax it to 850-245-6260 and mail it to the address and room number below. It just needs to be received by September 1, 2016 – stamped in our office on that date during normal business hours.

From our 2016 Federal Qualifying Handbook:

Write-in candidates may have a blank space provided on the general election ballot for their names to be written in if:

1. the candidate files an Oath of Candidate (Form DS-DE 85) with the Division of Elections between **8 a.m., July 5, 2016 and Noon, July 12, 2016**. Form DS-DE 85 may be downloaded from the Division of Elections website at: <http://dos.myflorida.com/media/693642/dsde85.pdf>
2. not later than **September 1, 2016**, the candidate submits a list containing the names and addresses of 29 persons to serve as electors to the Department of State. (*Section 103.022, Fla. Stat.*)

Hi Malcolm,

Great. Thanks for these answers. I have two more quick questions. The 29 names and address and my signature is due on 9/1/16 by noon?

And do I address the Fedex envelope to you or just generally to the address below with the room number like last time?

Thanks!! Zoltan

Dear Malcom Chellman,

Thank you for this email. Sorry for the late reply. I've been swamped. I did call a few times today. I just have a few questions regarding gathering the 29 electorate names and signatures.

1) When I gather the 29 names and address, is there a specific form to put the names and addresses on?

--- No form for this. Just submit the List of Electors (name and addresses) with a cover signed by the presidential candidate.

2) Also, do the 29 electorates have to be residents of Florida? Or just registred voting citizens of the US?

--- For write-in candidates, no, they do not need to be Florida voters. They need to be registered voters in the U.S.

Thanks and I will try calling again. Please call me for a few minute connversation too if you have a minute. Thanks, Zoltan

Good Morning, Zoltan Istvan Campaign –

Your write-in oaths included no address or other information I could use to contact you. I found your website online. Attached please find a memorandum that provides an overview of how Presidential candidates achieve ballot position in the state of Florida. You still need to file a List of Electors **no later than 9/01/16** to achieve ballot position as a 2016 write-in candidate for President. As described on page three of the memorandum, you need to submit to the Florida Department of State a list containing the names and addresses of 29 persons to serve as electors. As a write-in candidate, these voters need to be U.S. registered voters. They do not need to be registered to vote in Florida. Be sure to include the full names and addresses of the individuals listed, and more than 29 can be submitted. *Make sure the List of Electors includes the Presidential candidate's signature somewhere on the document, or on a cover letter with the document.*

If you have any questions, please call me at the number listed below.
